(2) The question of the Hassan-Mysore Railway having continued in the service of the Contractors Cost to remove the rubbish in the Dam on payment of Rs 16/- p.m. as have during the years 1940-41 & 41-42 may be adopted in the case referred

(1) The M.R. have recommended that the contractor may be paid an additional dearness allowance of Rs 4/- p.m. from 1.9.42 as he is not a whole time employee of the M.R., it would not be quite appropriate to give him any dearness allowance. Hence the M.R. are agreeable to increase the Cartage charges from Rs 16 to Rs 20/- p.m. from 1.9.42 till the end of the war. It is stated that the prices of grain etc have gone up & the cost of maintenance of the railway has greatly increased. The grant of an increase of Rs 4/- p.m. would amount to Rs 16/- per head - is reasonable.

Hence the request of the M.R. to give a Cartage of Rs 20/- p.m. from 1.9.42 from the duration of the war may be allowed

Subject - Entertainment of a Conservancy Cart on a monthly hire of Rs 16/- per mensem, by the Hosanagar Municipality for 1942-43 Proposals to enhance the cart-hire rate to Rs 20/- P M

In forwarding herewith in original, the file of correspondence received from the Sub Division Officer, Sagar, ending with his memo No R 1 C 525-174/42-43, dated 20th February 1943, on the subject noted above, I have the honour to state that the President, Hosanagar Minor Municipality reports that a Conservancy Cart to remove the street rubbish of the Town has been engaged and continued during the current year, on a monthly hire of Rs 16/- per month, as per G O No 7400-01/M1 33-39-42 dated 23-2-1940

The Contractor having petitioned to the Municipality for enhancin the present rate of cart hire charges, in view of the existing conditions and the abnormal rise of prices of food-stuffs etc , the question was considered by the Municipal Council at its meeting held on 31-7-194 when a resolution was passed to the effect that the Cart hire charges be enhanced from Rs 16/- to Rs 20/- per month, with effect from 1st July 1942(vide resolution copy enclosed)

The Amildar-President, Hosanagar Municipality, and the Sub Division Officer, Sagar, recommend that the proposed enhanced rate of cart hire charges viz ,Rs 20/- be paid to the Contractor, as resolved by the Municipal Council

I write to state in this connection, that a sum of Rs 216/- has been provided for the purpose in the current year's sanctioned Budget of the Municipality If the proposed rate of Rs 20/- per month is to be given effect to, the total expenditure will work up to Rs 240/-

ire extra cost on this account will be met from the closing balance of the Municipality

In these circumstances, I request that sanction of Government may kindly be obtained to give an additional amount of Rs 4/- per month (as dearness allowance) to the Conservancy Cart Contractor i e , the usual cart hire of Rs 16/- plus dearness allowance of Rs 4/- per month, with effect from the 1st July 1942, till the period of the war Due provision will be made for this purpose in the Budget Estimates of the Municipality for the ensuing year(1942 - 43)

Sir,

Subject - Enhancing the monthly cart hire paid to the Conservancy Cart entertained by the Hosanagar Municipal Council

With reference to your letter No L 11277/M1 5-42-46 dated 19th May 1943, on the above subject, I have the honour to forward herewith in original, the detailed report received from the President, Hosanagar Municipality(vide his No M& C 119/42 43 dated 3-6-43) in the matter and to state as follows -

2 Regarding Point No 1 as to whether previous sanction of Government had been obtained for the continuance of the Conservancy Cart during the years from 1940-41 to 1942-43, the Municipal President states that there are no references in his office to show that such sanction was obtained It is reported that during these years the cart hire was paid at Rs 16/- per month

3 As to the Second question, whether the right of removing the rubbish of the town is being sold by public auction every year, etc , the Municipal President reports that this right is not being disposed of by public auction every year, but is entrusted to one individual who has been continued to do the work year after year It is stated that no agreement has been executed by the Cart-man

4 With regard to the third point, as to why the right of removing the street rubbish of the Town should not be sold by auction every year, the Municipal President has reported that there is no keen competition among the townsmen in view of the fact that Hosanagar Town is a small one I may state that this town being in the heart of the malnad proper workmen cannot be found for the work

5 The present cartman who is carrying on the removal of street rubbish of the town is not a whole time employee of the Municipality, but is carrying on the work on a monthly hire basis

6 The case of grant of dearness allowance at Rs 4/- p m to the cartman, in addition to the usual monthly cart hire charges of Rs 16 per month was recommended in order to give some relief to him in view of the abnormal rise of prices of food stuffs and other articles

- 2 -

7 (c) The Municipal Council, Hosanagar are agreeable to enhance the present rate of carthire charges from Rs 16/- to Rs 20/- per mensem i e to increase the present rate by Rs 4/- p m with effect from the 1st July 1942

8 In these circumstances, I request that sanction of Government may kindly be obtained to the proposal of the Hosanagar Municipal Council, for the enhancement of carthire from Rs 16/- to Rs 20/- p m from 1st July 1942, till the end of the War if the payment of dearness allowance at Rs 4/- is, as proposed, found to be inadmissible and kindly to ratify the action of the Municipal Council in having continued the payment of carthire charges(towards the Conservancy Cart) from the year 1940-41 to end of 1942-43

Necessary instructions will be issued to the Municipal President to obtain the required agreement from the cartman to fulfil the terms of the contract
